

Eclipse Event

August 21, 2017

SOLIVINGSTON

COUNTY KENTUCKY

10:00 am – 2:00 pm

A FREE FAMILY FRIENDLY EVENT

881 Cutoff Rd Smithland, KY

Air Conditioned Facilities

Dr. Andrew J. Wagers PhD (formerly of Cedarville College in Columbus, OH) will be our guest speaker. With a PhD in Physics and research interest in astronomy, Dr. Wagers is uniquely qualified to share about the principles and forces which are necessary for a full solar eclipse and

the impact it has on our planet.

Also at the event will be face-painting, inflatables, and games, all inside an air conditioned facility. At 12:00 noon we will dismiss to the outside for those who want to watch the entire eclipse event. Others will be welcome to stay in-

doors and enjoy the activities until about 1:00 pm which is closer to the full eclipse at 1:21 pm. Concessions will be available, and snow cones will be free once we are outside. **Free eclipse glasses until they run out, and free solar crowns to the first 400 children.** Call 270.988.2204 for more information.
